New to WOLCA Initiation Form

(Please print)

This form is required unless your family has been enrolled with WOLCA Home Education Program for at least one (1) year. Please make sure to attach this form with your application.

It is the goal of WOLCA to ensure that new home educating families and new WOLCA Home Educating families establish relationships with other home educating families. This helps you to have a resource for educational needs and questions. Home education is a commitment and support will be a necessary asset for those just getting started. It is not our goal to make this duty a struggle for your family. We are here to help you in any way possible.
